Boys & Girls Clubs

A good place to be

The Okanagan Boys and Girls Clubs has been a leading provider of programs to children, youth and families since 1959. Each year our programs and services support the healthy physical, educational, and social development of over 6,000 young people and families in over 30 Clubs and service locations throughout the Okanagan Valley. As a member of the Boys & Girls Clubs of Canada, the Okanagan Boys & Girls Clubs is the largest in geographical area in Canada and the second largest in economic size. We help young people grow healthy, happy and safely from birth to adulthood, and are a resource and support for parents throughout their family's involvement with us. Visit us to find out why the Okanagan Boys and Girls Clubs is "a good place to be!"

Our Members are Important to us!

Our Clubs provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life. Membership cards are available to all for a fee of \$10.00 per year. No child or youth is refused membership. Membership opens the door to all programs, drop-in programs and special events. Take out a membership today and discover what it means to be a member of the Boys & Girls Club.
