

NUT AWARE SCHOOL

George Pringle Elementary is a 'nut aware' and 'scent aware' school. Please try not to send any nut or peanut products to school for snack time or lunchtime as we have several students in the school that are allergic to nuts and peanuts. The students will be taught to ask if there are nuts or peanuts in their snack; if they are not sure. If there is no label and the item appears to contain nuts they will have to put that item away and eat something else in their lunch. Thank you for your cooperation and understanding of this important safety rule.
